

WELCOME

The Canadian Wood Preservation Association is pleased to invite you to take part in the 31st Annual Meeting to be held in Vancouver at the Renaissance Vancouver Harbourside Hotel on Tuesday October 19th and Wednesday October 20th, 2010.

The Keynote Speaker is Dr. Paul Cooper, Professor in the Department of Forestry at the University of Toronto, recently retired CWPA board member and former president of this association. Paul has been a keen observer of the Canadian Wood Preservation industry for decades and his research has greatly contributed to the advancement of the industry in many ways. Much of his work has been on CCA treatments and on industrial commodities such as utility poles and railroad ties. He is the ideal person to set the tone for this year's theme of Industrial Wood Preservation.

Registration for the conference is \$200 for members, \$400 for non-members and \$50 for students. The fee covers the cost of the two day conference, two lunches and the President's Reception.

To register complete the attached registration form and forward it and a cheque for the appropriate amount to;

CWPA
PO Box 296
Campbellville, ON
L0P 1B0

Or visit our website at www.cwpa.ca, click on meetings and fill in the appropriate information.

We have negotiated conference room rates of \$199 for Renaissance guest rooms per night. To get the preferred rate, make your reservation directly with the hotel before September 4th, 2009 at 1-800-905-8582. For more information please visit the CWPA web site and click on the tab marked "Meetings" and then the link marked-for more information on hotel reservations. "[here](#)".

PROGRAM October 19th, 2010

7:00 Registration
