

WELCOME

The Canadian Wood Preservation Association is pleased to invite you to take part in the 30th Annual Meeting to be held in Montreal at the Delta Centre-Ville Hotel, on Tuesday, October 6th and Wednesday, October 7th, 2009.

The Keynote Speaker is Dr. Darrel Nicholas, Professor in the Department of Forest Products at Mississippi State University. Darrel's experience in teaching, and research in the development of new wood preservatives and evaluation methods, positions him as an ideal person to kick off our 30th conference which focuses on "Wood preservation – 30 years on: current issues and trends"

Registration for the meeting is \$200 for members, \$400 for non-members and \$50 for students. The fee covers the cost of the meeting, two lunches and the President's Reception. Non-members who attend and apply for membership by December 2009 will have the differential applied to their membership fee.

To facilitate arrangements, please visit our website in early September to register online at www.cwpa.ca or complete the attached registration form and forward it to CWPA. A registration desk will also be open between 6:00 and 8:00 p.m. on Monday, October 5th, and from 7:00 a.m. to noon on October 6th and 7th.

We have negotiated conference room rates of \$179 for Delta guest rooms and \$229 for Club Signature rooms per night. To get the preferred rate, make your reservation directly with the hotel before September 4th, 2009 at 1-888-890-3222. For more information please visit the CWPA web site and click on the tab marked "Meetings" and then the link marked for more information on hotel reservations. "[here](#)".
